26. My After-school Life

My after-school life is colorful and meaningful. Every day, I finish my homework first. Then I usually play basketball with my friends on the playground. It makes me strong and teaches me teamwork.

On weekends, I often go to the library to read books. Reading opens up a new world for me. Sometimes I help my parents do housework, like cleaning the room. I think it's my duty to share the work.

I really enjoy my after-school time. It not only relaxes me but also helps me learn many useful things.
