C. In a travel magazine. B Catia, a 73-year-old woman, is a hummingbird (蜂鸟) nurse. Her story with hummingbirds began in 2011, at a very difficult time in her life. She lost her husband in 2009. Two years later, she herself got cancer (癌症). To fight against her illness, she sold her five shops but it didn’ t help much. So she felt depressed. One day, she was walking on the street when she noticed a tiny hummingbird with a serious eye problem. The kind woman took it home and named it Gucci. At first, she knew nothing about taking care of a bird. To look after Gucci, she studied the birds and their habits. Finally, Gucci got well. Later, Catia’ s friends began to bring her sick and homeless hummingbirds. She never turned them away. Then, more and more hummingbirds were sent to her. So she used her apartment as a hospital and Safe House for them. Since then, her home has been a hummingbirds’ home. Now Catia is considered as an expert on hummingbirds and lives happily with hummingbirds. People think she is a protector of hummingbirds, but she thinks it is the tiny birds that save her. She told others the hummingbirds managed to pull her out of sadness and hopelessness. She always says, “The hummingbirds wrote me a new life.”

22. What is the main idea of the text?

A. It’s important to protect animals. B. We should face difficulties bravely.

C. Helping animals is helping humans. C Recently, the story of a Chinese girl playing the erhu on the streets of Milan, Italy has been reported. She has been trying street performances in her spare time since April 2023. Every time she performs, she attracts (吸引) many people to watch, building a bridge of communication between China and Italy through music. The girl is Zheng Xiaohui from Weifang, who is talented in playing the erhu. In 2021, Zheng went to Milan for study. There, she found the street art culture was very popular. She saw some wonderful street performances that caused many people to dance, “I was so touched, and found that music has a great power to bring people together,” she said. In 2023, Zheng started her street performance during Milan Design Week. And many tourists were attracted by her performance. Some even experienced playing the erhu. Zheng also performed at the 2023 Milan Fashion Week. “I am very happy that China’s erhu has shown its special beauty on the international stage,” Zheng said. With the popularity of her performances, Zheng has more chances to show traditional Chinese culture. Besides street performances, she also performs online and gives concerts to show the beauty of the erhu to the world. She hopes to meet more friends who love Chinese folk music and traditional Chinese culture through her performances.

26. What is the purpose of Zheng’s performances?

A. To make more people know her.

B. To show her love for playing the erhu.

C. To spread traditional Chinese culture through folk music.

D. April 24th is Space Day of China. Ever since Yang Liwei made it to space in 2003, about 20 Chinese astronauts have been sent into space. In space, astronauts face many problems. There is little gravity (重力) there, which influences their bodies. Also, being away from family and friends and staying in a tiny spaceship for a long time can make them feel sad or stressed out. What’s more, if something goes wrong suddenly, they have to fix it under huge pressure. That’s why astronauts have to be smart, strong, and ready for any challenge before they can go to space. To make sure that Chinese astronauts complete their tasks and return to Earth safely, 8 kinds, including over 200 subjects of training, are set. Besides physical training, basic science knowledge and mock (模拟) tasks are included. Before astronauts can go to space, they train like this for at least three and a half years. In China’s manned space project, one of the most difficult parts of the training is the underwater training. This helps astronauts get ready for the weightless environment in space. And they wear diving suits (潜水服) over 100 kilos and stay underwater for six hours every time.

27. What problem do astronauts face according to paragraph 2?

A. They have to train under huge pressure.
B. They are influenced by little gravity in space.
C. They often worry about their family and friends.

28. What do astronauts need to do before going to space?

A. Master basic science knowledge.
B. Experience 8 subjects of training.
C. Get three years of underwater training.

29. What does the underlined word “This” in paragraph 4 refer to (指代)?

A. A diving suit.
B. Underwater training.
C. China’s manned space project.

30. What can be the best title for this text?

A. Work Hard to Live in Space
B. Train Hard to Work in Space
C. Deal with Problems in Space

56. A Person Who Changes Me a Lot

My English teacher, Ms. Li, has changed me a lot. She is tall with long hair and always wears a warm smile. She is patient and encouraging.

I used to be shy and afraid to speak English in class. Once, Ms. Li asked me to read a passage aloud. I was so nervous that I made many mistakes. Instead of laughing, she praised my courage and helped me correct the pronunciation. Her kind words gave me confidence. Gradually, I started to participate in class activities and even joined the English corner.

Thanks to Ms. Li, I have become more confident and outgoing. She taught me that mistakes are steps to success.
