I’ m Li Hua. It’ s a great honor to give a speech here. Today, my topic is My Dream Human-like Robot.

My dream robot is named "Xiao Zhi". He looks like a friendly teenager, with bright blue eyes and a warm smile. He is about 1.6 meters tall, wearing a simple white T-shirt and blue jeans, just like a real friend.

Xiao Zhi is not only a helper but also a companion. In my daily life, he can help me with my homework, especially in math and science. He can also remind me of important schedules and help me organize my room. More importantly, when I feel lonely or sad, he can listen to me and tell interesting stories to cheer me up.

With Xiao Zhi, my life would become more convenient and colorful. I believe that in the near future, such robots will bring happiness and help to many families.

That’ s all. Thank you.
